

Stuart-Hobson Modernization Plans

The Future Of Our Middle School Is Up To Us!

Public Presentation of Draft Concept Plan
Thursday, January 19, 6:30 – 8 pm, Stuart-Hobson Auditorium

Southwest view of existing building with proposed addition along 4th Street

The long-anticipated modernization and expansion of Stuart-Hobson Middle School will begin this spring – and now is the time for families to have a voice in decisions that will affect our children and our community for decades to come. Don't miss your opportunity for input!

- Learn about the developing Arts Integration and Museum Program from Principal Dawn Clemens.
- Get the first public look at the architect's draft plans for a substantial renovation to the existing building and gymnasium plus the addition of an arts wing.
- Provide feedback that will help shape detailed design decisions.
- Find out how parents and community members can show our support for sufficient funding for full implementation of the plan.
