Healthy Schools & Communities Celebration Dinner

Tuesday, June 18th 2013 | 6-7:30pm

This spring, the students of Stuart-Hobson grew their own vegetables and harvested them for a salad day! Every student received a nutritious, locally grown snack. Now it's your turn! We invite the Stuart-Hobson community to join us for an evening to celebrate the efforts of the students. Participants will also learn about the hidden costs of our food system and ways to encourage everyone to eat healthier.

Program:

- "Real Cost of Food" Presentation & Nutrition Workshop
- Participants will receive a sampling of a variety of plant-based dishes
